Fall 2018

From the District Administrator's Desk

Hello Tigerton Tigers!

I am very excited to welcome you back for the 2018-19 school year. This summer has provided great weather for all to get out and recharge our brains to be ready for a year of tremendous growth! Whether in summer school, playing at home and in town, or enjoying vacations and staycations, everyone is learning something new each day. We are excited to help our students and staff learn things they have not learned YET!

We are pleased to welcome our new music teacher and choir director Ms. Kay Pope. She has a lot of great ideas and a warm bubbly personality that will endear her to all. We also welcome back the rest of our staff to continue making great strides making Tigerton better each year!

There have been many updates around the schools. Tim, Marcilene, and Jo have worked diligently to clean the schools to shine! We thank them now and everyday for keeping our schools beautiful. We had a few grants that allowed us to upgrade some areas. New paint in the elementary gym and hallways--showing our purple and gold pride! The updated ERVING room will accommodate 3 huddle spaces for up to 18 students to take interactive classes from anywhere in a more comfortable learning environment. Our cafeteria will also sport a new look as the old tiles were removed and a new flooring is being installed that will ease future maintenance costs while looking great! Many rooms have been painted and things are looking fresher than ever!

Staff continue to develop the curriculum, finding better ways to provide feedback to students and parents, and spending time learning about technology and current best practices in education. Our grades are separated into academic and behavioral reporting. Academic grades report what our students know or are able to do based on the state standards. Citizenship (behavioral) grades report how our students are behaving--attitude, work completion, effort, rule following, etc. These are reported on report cards and will be on their transcripts upon graduation. This is a better way for you and your student to know how they are doing in class.

We are ready for another great year at Tigerton Schools! We continue to work to make our schools as great as they can be. We have grants that are helping to build our greenhouse this fall, a chicken coop for the spring, and many small, yet important, updates in other areas, too. We look forward to our student-athletes playing hard in representing our school and community on the field and court. Go Thundercatz! Go Tigers! Our band and choir will be sharing their beautiful sounds for all of us to hear throughout the year. Our FFA has many great activities planned for the year to share with us. And our academic competitors will certainly build upon the success they had last year. We certainly have so much to look forward to and be thankful for here in Tigerton!

I, once again, invite you to follow the Tigerton School District Facebook, Instagram, and Twitter pages for school information and educational updates. Many individual teachers are using Twitter as a way of sharing more of what is going on in our classrooms, so look for them to share as they join the Twittersverse!

As always, we return an excellent staff, who along with our new hires, are dedicated to making Tigerton a great place to live and get an education. We welcome everyone to come see our schools and the amazing things taking place here. We are Tigerton Proud!

We wish you all the best in your
future endeavors!

Please help Tigerton Elementary by sharing your Box Tops and Milk Moola labels with us!

NOTICE OF ANNUAL MEETING/BUDGET HEARING

Notice is hereby given to the qualified electors of the School District of Tigerton that the Budget Hearing and Annual Meeting will be held on Monday, October 29, 2018, at 6 p.m. in the Tigerton High School Commons.

Detailed copies of the budget can be obtained in the district office during normal business hours.

MISSION STATEMENT

The mission of the School District of Tigerton is to empower all students with the knowledge, the skills, and the attitudes necessary for them to be successful in a changing global society.

BOARD OF EDUCATION

Jeremy Erdmann, President	715-535-2097
Cary Robbins, Vice-President	715-535-2079
Dale Breaker, Clerk	715-535-2346
Ryan Hauser, Treasurer	715-460-0842
Tara Hoppe-Schmidt, Member	715-881-0075
Scott Suehring, Member	715-754-2341
Jill Brown, Member	715-535-2119

COACHING VACANCIES

The School District of Tigerton is accepting letters of interest to fill the following coaching positions:

- *BOYS VARSITY BASKETBALL COACH
- *SOFTBALL ASSISTANT

Please submit letters/resumes to Lance Litchfield, Athletic Director, at llitchfield@tigerton.k12.wi.us or to the high school office.

Have you heard the egg-citing news?

The Chicken Coop project has been approved! We are currently in the funding stages, and hope by spring we can purchase materials so the Tech Ed students can start building. We have already received a grant from Shopko for \$2,500.00 and also some cash and equipment donations. If you are interested in donating towards the chicken coop, donations can be dropped off at the high school office.

Want to keep up with the chicken coop progress?

Safety Grant Awarded

The Tigerton School District was awarded a \$42,310 safety grant through the Wisconsin Department of Justice School Safety Grant program, administered by DOJ's Office of School Safety.

The grant funds will enable our district to enhance established security measures and practices including:

- adding safety film on all glass entrances
- installing new camera systems in both buildings
- expanding training opportunities for staff on the topic of trauma sensitive school awareness

We are excited to be able to make our schools safer in all situations!

For more information on DOJ's Office of School Safety, please visit: <https://www.doj.state.wi.us/office-school-safety/office-school-safety>.

Summer School 2018

Tigerton Summer School was held from June 6 through June 29. We packed a lot of fun, educational classes into three and one-half weeks. Students began the day with free breakfast at 8 a.m. and ended the day at 3 p.m. These are just some classes offered: Musical Madness, Sports History, Bucket Brigade, Challenge Accepted (math), Histories Mysteries, Dynamic Dinosaurs, Something Stirring (cooking), Discover Wisconsin, Wild, Wild West, Biking, Readers and Artists, Getting ready for Kindergarten, and STEM. Attendance for summer school was outstanding as always! What great kids and teachers!!

Students in the Getting Ready for Kindergarten class with Mrs. Kreklow

Students in the Wild, Wild West class playing a pioneer game called "Pass the Handkerchief"

Summer School 2018

Miss Emily Minniecheske's Artist and Readers Class

Summer STEM Academy

Nineteen Tigerton Middle School students attended the 2018 STEM Summer School Program. During their class time, they learned about and constructed ferris wheels, mousetrap cars, bridges, and prosthetic limbs.

The students also went through a few days of training to get them prepared for a natural disaster simulation exercise at NTC under the direction of staff from the Challenger Learning Center in Wheeling, West Virginia. Some students were volcano or hurricane experts, while others were on the command team or evacuation team. They monitored an impending hurricane and volcanic eruption on the island of Montserrat in the Caribbean Sea. It was their job to determine the path the hurricane was taking, if, and when the volcano would erupt, and how to safely evacuate the residents. They worked with students from Bonduel, Gresham, and Rosholt to complete this task.

The teams experienced the stress of monitoring things they had no control over, such as the hurricane and volcanic eruption and trying to get people to safety in a reasonable amount of time with limited resources. They got a better understanding of the situation the people of Montserrat experienced in 1996 when this actually happened.

Thanks to the School District of Tigerton, NTC, the Erving Network, and Jamie Lane for making this wonderful learning experience possible for our Middle School students.

2018 Season Summary

The Tigerton youth recently completed their little league season. We had over 60 kids participate from grades K through 8. If you were around town this summer you saw the ball parks filled with games many days of the week.

The C team was coached by Eric Strike, Joey Gauthier, Matt Brown, and Ryan Breitenfeldt. The team played eight games this season and learned the basics of baseball.

The B team was coached by Jeff Miller, Tim Zimdars, and Joel Wincentsen. These players participated in over 16 games throughout the season. They took second place in the Western Shawano County B Team Tournament. The tournament consisted of 15 teams and 29 games from July 16 through July 19. They beat Birnamwood 5-3 in game 28 but lost in game 29 to Birnamwood 10-2.

The A team was coached by Lori Stenson and Tim Griepentrog. These boys took 3rd in the East division and finished 4th in the overall tournament. The A team was also selected for team of the night for the Wausau Woodchucks on July 1.

10 U

12 U

SOFTBALL

2018 Summer Softball Summary

The Tigerton Summer Rec. Softball 10U and 12U teams had a great season. They practiced and played hard. The girls improved their hitting and fielding skills as the season progressed. The teams were coached by Kelley Strike and Amber Brown.

2018 Summer Volleyball League

A team of Tigerton female athletes competed in the Summer Volleyball traveling League. They competed every Tuesday evening for eight weeks. Other teams participating were Bowler, Gresham, and Marion. Shown in the picture are Gracie Zimdars, Adrienne Brady, Jaidan Miller, Kelsi Shumaker, Olivia Anderson, and Ireland Miller. Not shown in the photo but playing in some matches this summer were Monika Minniecheske, Ladia Block, and Savannah Swartz.

Tigerton FFA News

By Lori Rowe, Advisor

Nicholas Suehring and Casey Wuske served as chapter delegates for the Tigerton FFA at the 89th Wisconsin FFA Convention in Madison in June. They each served on a state delegate committee, attended delegate meetings, and were responsible for electing the new Section 8 State FFA Officer. While attending the convention, Nicholas and Casey were able to network with many other FFA members, learn more about FFA opportunities at the state level, and networked with state agriculture professionals at the LifeWork Expo. Casey was recognized as a Wisconsin FFA Alumni Washington Leadership Conference (WLC) Scholarship on stage. On the way home, Nicholas, Casey, and Ms. Rowe stopped by the State Capital building and Culver's in Portage for lunch. Thank you Culver's for being such a great FFA supporter!

Casey Wuske participated in the Washington Leadership Conference, a premier leadership conference of the National FFA Organization July 9-15. He traveled with 50+ other Wisconsin FFA members on a charter bus. "It was an awesome experience, a life-changing opportunity," said Casey. Casey was awarded a Wisconsin FFA Alumni WLC scholarship and the Tigerton FFA Alumni helped sponsor his trip to Washington, D.C.

Casey is pictured with other Wisconsin FFA members at the Wisconsin marker at the World War II Memorial. He will be presenting his trip highlights at an upcoming FFA Alumni meeting.

SEEKING: The Tigerton Agriculture Department is seeking donations of excess garden produce from community members for the HS Food Science class. The produce will be processed (canned, frozen, or dehydrated) for the school Food Service Department. If you are willing to donate, please contact Ms. Lori Rowe, Agriculture Educator, at 715-535-4026.

We continue to collect aluminum pop tabs for the Ronald McDonald House in Marshfield, as well as Kwik Trip Milk Moola bag tops, milk/juice bottle tops for the Greenhouse Building Fund and other department supply needs. Both can be dropped off in the HS office. Thank you for your previous donations.

A Note from your School Nurse

Medications:

Giving necessary medications to students at school is an important part of what I supervise for your school district. Our staff is happy to work with parents to be sure that medications are given correctly and safely. Here is a sampling of typical medications that may be necessary:

- Daily oral tablets for specific medical conditions
- Short term oral tablets, such as antibiotics or pain medication, for specific brief health conditions
- Inhalers or nebulizer treatments for asthma
- Eye drops
- Topical creams prescribed for specific skin conditions
- Insulin injections for diabetes
- EpiPens (epinephrine injection) for severe allergic reactions
- Diastat for prolonged seizures

Keep us informed about medications that your child may need during the school day. We will ask you to complete a consent form, and will assist you to obtain signed medical authorization for medication if it has been prescribed by a doctor or clinic provider. Most medications are kept in a secure location in the school office, with a few exceptions such as asthma inhalers for older students.

Immunizations:

Most students need additional immunizations when they enter kindergarten and again when they enter Grade 6. Please obtain these immunizations before the start of the new school year. Call your healthcare provider or the Shawano-Menominee Counties Health Department for additional information.

Eating & Feeding Restrictions:

This form has been included in this edition. If your child needs alternate foods at school (such as lactose free milk, or substitute foods due to allergies, etc.) please complete the form and ask your doctor or clinic provider to sign it. This helps us share the information with all the necessary staff and also helps food service staff with the proof needed when alternate foods must be purchased.

WHAT IS TITLE I?

Title I is a federally funded program that enables all students to learn by providing meaningful and challenging opportunities. This is a flexible program that takes place within the regular classroom or in a Title I room as a pull-out program. Teachers provide specialized instruction to reinforce and supplement classroom learning.

Students are chosen to participate in Title I by parent or teacher recommendation, classroom performance, and test results. Extra instruction will be provided to those students in Math or Reading. The students may need assistance for the entire year, quarter, or for a certain concept they are learning. The purpose for this is to produce high levels of academic achievement in Math and Reading for all students, especially those students most in need.

You can find out more information about Wisconsin's Title I program by going to their website: <http://www.dpi.state.wi.us/titleone/index.html>.

Medical Statement for Special Dietary Needs

Please read page 1 before completing this form.

Student's Name _____

Student's PIN/ID Number _____

Age* _____

Name of School* _____

Grade Level* _____

Classroom* _____

*Please include information that is accurate as of the time of this form's submission.

1. How does the child's physical or mental impairment restrict his or her diet?

2. Please complete all of the sections below that are applicable to the child.

Allergies and Celiac Disease	What food(s)/type(s) of food should be omitted? Please be specific.
	List foods to be substituted. (Avoid specific brand names, if possible.)

Diabetes Mellitus	Please describe any modifications necessary to accommodate the child's needs.
-------------------	---

Texture Modifications	The child requires that all foods be:	Liquids should be:
	<input type="checkbox"/> Pureed <input type="checkbox"/> Diced/finely ground <input type="checkbox"/> Chopped/cut into bite-sized pieces	<input type="checkbox"/> Pudding thick <input type="checkbox"/> Honey thick <input type="checkbox"/> Nectar thick <input type="checkbox"/> Thin/normal consistency

CHILDREN WITH DISABILITIES AND SPECIAL DIETARY RESTRICTIONS

A. Rehabilitation Act of 1973 and the Americans with Disabilities Act

Under Section 504 of the *Rehabilitation Act of 1973* and the *Americans with Disabilities Act Amendments Act (ADAAA)* of 2008, "a person with a disability" means any person who has a physical or mental impairment which substantially limits one or more major life activities or major bodily functions, has a record of such an impairment, or is regarded as having such an impairment.

Major life activities include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. A major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

Please refer to these Acts for more information at <http://www.dol.gov/oasam/regs/statutes/sec504.htm> and <http://www.eeoc.gov/laws/statutes/adaaa.cfm>, respectively.

B. Individuals with Disabilities Education Act

A child with a "disability" under Part B of the *Individuals with Disabilities Education Act (IDEA)* is described as a child evaluated in accordance with IDEA as having one or more of the recognized thirteen disability categories and who, by reason thereof, needs special education and related services. The IDEA can be found in its entirety at <http://nichcy.org/wp-content/uploads/docs/IDEA2004regulations.pdf>.

The Individualized Education Program (IEP) is a written statement for a child with a disability that is developed, reviewed, and revised in accordance with the IDEA and its implementing regulations. When nutrition services are required under a child's IEP, school officials need to make sure that school food service staff is involved early in decisions regarding special meals. If an IEP or 504 plan contain the same information that is required on a medical statement, then it is not necessary to get a separate medical statement from a licensed medical practitioner.

C. Licensed Medical Practitioner's Statement for Children with Disabilities

U.S. Department of Agriculture (USDA) regulations 7 CFR Part 15b require substitutions or modifications in school meals for children whose disabilities restrict their diets. School food authorities must provide modifications for children with disabilities on a case-by-case basis when requests are supported by a written statement from a state licensed medical practitioner.

The licensed medical practitioner's statement must identify:

- an explanation of how the child's physical or mental impairment restricts the child's diet;
- the food(s) to be avoided; and
- the food or choice of foods that must be substituted.

The second page of this document ("Medical Statement for Special Dietary Needs") may be used to obtain the required information from the licensed medical practitioner.

"Practitioner" is defined by Wisconsin State Statute 118.29(1) (e): "Practitioner" means any physician, dentist, optometrist, physician assistant, advanced practice nurse prescriber, or podiatrist licensed in any state. If the documentation to support a dietary accommodation has not been signed by one of these practitioners, the school is not required to accommodate the request (unless information about the dietary need is included within the IEP or 504 plan, as mentioned above in Section B.)

D. Other Special Dietary Needs

School food service staff may make food substitutions for individual children for whom they do not have a medical statement from a practitioner. It is strongly recommended, though not required, that schools have documentation on file from any medical authority for students with dietary needs for whom they are making menu modifications within the meal pattern. Such determinations are only made on a case-by-case basis and all accommodations must be made according to USDA's meal pattern requirements.

SCHOOL DISTRICT OF TIGERTON

213 Spaulding Street,
Tigerton, WI 54486
715-535-4000 Fax 715-535-4010
www.tigerton.k12.wi.us

Dear Parent/Guardian,

Per Wisconsin State Statute, we are providing information on the importance of immunization for your child against a potentially fatal bacterial infection called meningococcal disease, a type of meningitis.

About Meningococcal Disease

Meningococcal disease can be misdiagnosed as early symptoms may be high fever, severe headache, nausea, vomiting, and a stiff neck which are similar to common viral illnesses. The disease progresses rapidly and can lead to a brain damage, loss of hearing or limbs, and death within 24 to 48 hours.

Adolescents are at a greater risk for meningococcal disease, accounting for 30% of all cases in the United States.

The following activities put your child at an increased risk:

- Sharing drinking glasses, bottles, straws, eating utensils, and food
- Sharing lipstick or lip balm
- Kissing
- Attending an overnight camp
- Living in a dormitory

Meningococcal Vaccine

Vaccination for meningococcal disease protects against the most common types of bacteria that can cause meningococcal disease. The Center of Disease Control and Prevention along with other leading medical organizations recommend the following:

Vaccination for anyone 11-18 years of age, preferably at ages 11 or 12.

A booster vaccination between ages 16 and 18 if the first vaccination was given between 11 and 15 years of age.

For more information about meningococcal disease and vaccination, please feel free to contact me directly or visit the following web sites.

- www.cdc.gov
- www.dnmsus.org
- www.co.shawano.wi.us

Sincerely,

Amy Strehlow, RN

Annual Notices

Student Directory Information

The following information shall be considered Directory Information by the School District of Tigerton and may be released to the public without consent of parents or eligible students.

Student directory data available to military recruiters, institutions of higher education:

Districts are required to provide student directory data, upon request, to recruiters or institutions of higher education, but must notify parents of their right to request that this information be withheld from disclosure. If parents wish to withhold this information please contact the school office.

Youth Options

Students of the Tigerton School District may request through "Youth Options" a post-secondary course if application is filed before March 1 for fall semester and October 1 for spring semester. The principal will investigate the validity of the requested course and make a recommendation to the School Board.

For more information, please contact our High School Office.

Student Religious Accommodations

The Tigerton School District is required by PI 41.04(1)(a) of the Wisconsin Administrative code to provide annual written notification to all students, the parents or guardians of minor students, and Instructors of the District's policies providing for the reasonable accommodation of a student's sincerely held religious beliefs with regard to examinations and other academic requirements. This notice concludes that the process for receiving and resolving complaints is included in our annual nondiscrimination notice.

Asbestos Plan Notification

As a result of recent federal legislation (Asbestos Hazard Emergency Response Act – AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and to develop a plan of management for all asbestos-containing building materials. The Tigerton School District has a goal to be in full compliance with this law and is following the spirit, as well as the letter of the law. As matter of policy, the district shall continue to maintain a safe and healthful environment for our community's youth and employees.

continued 

In keeping with this legislation, all buildings (including portables and support buildings) owned or leased by the Tigerton School District were inspected by EPA accredited inspectors and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared, and the state approved, a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, the Tigerton School District has completed their 3-Year Re-inspection required by AHERA. Our district buildings, where asbestos-containing materials were found, are under repair, removal, Operations and Maintenance.

This past year the Tigerton School District conducted the following with respect to its asbestos containing building materials:

* *Continued our Operations Maintenance Program*

Federal law required a periodic walk-through (called "surveillance") every six months of each area containing asbestos. In addition, the law requires all buildings to be re-inspected every three years after a management plan went into effect. MacNeil Environments, Inc will accomplish this under contract.

Short-term workers (outside contractors – i.e., telephone repair workers, electricians and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact Greg Schuh before commencing work to be given this information.

The Tigerton School District has a list of the location(s) and type(s) of asbestos containing materials found in that school building and a description and time-table for their proper management. A copy of the Asbestos Management Plan is available for review in the school office. Copies are available at 25 cents per page. Questions related to the plan should be directed to the Tigerton School District or MacNeil Environmental Inc., at 715-928-0163.

Student Locker Searches

The right to inspection of students' lockers is inherent in the authority granted to school boards and administrators and should be exercised so as to assure parents that the school, in pursuing its "in loco parentis" relationship with their children, will employ every safeguard to protect the well-being of those children.

Student Nondiscrimination

The School District of Tigerton shall not discriminate on the basis of race, religion, creed, political affiliation, physical, mental, emotional, or learning disabilities, handicap, gender, gender orientation, age, national origin, citizenship, marital, parental or pregnancy status, ancestry, color, or any other reason prohibited by state or federal law.

This policy will prevail in all matters concerning staff, students, the public, educational programs and services, and individuals with whom the District does business.

The school district shall establish and maintain an atmosphere in which all persons can develop attitudes and skills for effective, cooperative living, including:

Respect for individuals regardless of economic or marital status, physical, emotional, mental or learning disability, race, religion, creed, color, gender or gender orientation, age, ancestry, national origin, or handicap.

Respect for cultural differences.

Respect for economic, political, and social rights of others; and

Respect for the right of others to seek and maintain their own identities.

The school district shall, on an ongoing basis, examine all curriculum to ensure that it emphasizes positive human relationships. The instructional materials used by the schools must be free of bias and accurately portray the history, contributions, and culture of the various ethnic groups in our society.

In keeping with the requirements of federal and state law, the School District of Tigerton shall strive to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered students, in their assignment to schools and classes, and in their discipline; in location and use of facilities; in educational offerings and materials.

The District Administrator/designee shall notify applicants for employment, employees, students and parents of district nondiscrimination policies and establish complaint procedures and shall annually publish a notice to that effect in the Marion Advertiser/Tigerton Chronicle and the School News Report.

Complaints regarding the interpretation or application of this policy shall be addressed to the District Administrator and processed in accordance with established procedures.

Any questions regarding this policy please contact: **Mr. Ben Rayome, PO Box 10, Tigerton (715) 535-4041.**

Education of Homeless Children and Youths

In accordance with state and federal law, it is the policy of the Tigerton School District that homeless children and youth must have equal access to the same free, appropriate public education as provided to other children residing in the district and be provided with comparable services. Homeless children/youth will not be required to attend a separate school or program for homeless children and will not be stigmatized by school personnel.

School Performance Report

Under section 115.38(2) of the state statutes, school boards are required to notify the parent/guardian of each student enrolled in the district of their right to request the school performance report. Please contact the high school office, at 715-535-4001, for a copy.

WI Act 96 Notification

The Tigerton School District would like to inform staff, students, parents, and the public of the District's Indoor Environmental Quality (IEQ) management plan. The plan was initially developed in 2012 and is reviewed as necessary. The plan was developed as deemed appropriate for the District. This annual publication is part of the Tigerton District's communication plan within the IEQ Management plan. Questions and concerns should be directed to the IEQ Coordinator at 715-535-4000. The district office is located at 213 Spaulding Street, Tigerton, WI 54486. Copies of the plan are available at the district office for a fee.

Teacher Professional Qualifications

Federal law requires that the district share with you the qualifications of teachers/paraprofessionals in the Tigerton School District. You may wish to ask questions such as:

1. Is my child's teacher licensed to teach the grades or subjects assigned?
2. Has the state waived any requirements for my child's teacher/paraprofessional?
3. What was my child's teacher's major in college?
4. What degrees does my child's teacher hold?
5. Are there any instructional aides working with my child? If so, what are their qualifications?

continued 

You, as parents, will be glad to know that ALL Wisconsin teachers have at least a bachelor's degree and many have advanced degrees. In addition, all Tigerton teachers/paraprofessionals are licensed or have the proper qualifications for their assignments(s). If you want to see the state qualification for your child's teacher, please contact the district office.

Notice—Family Educational Rights and Privacy Act

The Family Education Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records.

FERPA gives parents certain rights with respects to their children's education records. These rights transfer to the student when he/she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students".

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Copies of the records are available for a fee.

Parents or eligible student have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to state law.

2018-19 Indoor Air Quality Notice (IAQ)

Tigerton School District is proud to be taking a leadership role in providing a safe, comfortable, and productive environment for our students and staff so that we achieve our core mission—educating students. Our school will follow the EPA guidance to improve our indoor air quality by preventing as many IAQ problems that may arise. Good air quality requires an ongoing commitment by everyone in our school, because each of us daily makes decisions, performs activities that can have an effect on the quality of the air we breathe.

The School District of Tigerton works with MacNeil Environment to keep in compliance with the federal and state government rules. There is a copy of the written plan at the school district.

The Tigerton School District Indoor Air Quality (IAQ) contact person is Greg Schuh, Supervisor of Buildings and Grounds.

If you have any questions or concerns about the Districts IAQ program, please contact the school, at 715-535-4044

TIGERTON SCHOOL DISTRICT Native Tree Arboretum Order Form

The Tigerton School Forest and Environmental Lab has a new addition: the Wisconsin Native Tree Arboretum. Thanks to grants from Central WI Electric Cooperative and Thrivent, along with hard work by students, staff, and volunteers, the arboretum has 18 newly planted specimen trees lining the drive into the school forest. The purpose of the arboretum is to provide an easily accessible opportunity for students and the public to observe, compare, and identify trees native to our area.

Support for the School Forest is always welcome. You can be part of the Wisconsin Native Tree Arboretum project by purchasing a metal plaque engraved in memory of, in honor of, or sponsored by an individual or group. The cost of each plaque is \$30. Each plaque will be attached to a rustic post next to the tree and will also include the species of tree.

Mail the completed Order Form and a \$30 check payable to *Tigerton School Forest* to:

Peggy Miller
W15200 Fairmorr Rd
Tigerton, WI 54486
(715) 535-2223

THANK YOU FOR YOUR SUPPORT!

Updates from "Lunch Lady Land"

Ala Carte Item Opt OUT

For the 2018-2019 school year we will once again be giving you, the parent/guardian, a say in the "extras" your child can purchase. Only if you want your child to **NOT** take any extras/ala carte items do you need to fill out this form. We will assume that without any word from you, they are able to purchase additional items with their lunch. Please return this form with your registration packet.

You may also notice that our ala carte list has gotten a bit longer. Through student and teacher feedback we have grown our offerings to them. Any additional updates or additions will be noted as they happen. Thank you and looking forward to the year ahead!

Student Name(s): _____

_____ No, my child/children cannot participate.

Parent Signature: _____

2018-19 Food Prices

3K Snack Milk	\$27.50/yr.		

SCHOOL LUNCH AND MILK PRICES

Please see the chart above for meal/milk pricing.

All snack milk fees (annual or by semester) must be paid by September 28. If your child will not participate in the snack milk program please submit a signed note stating so to the elementary office. (Students qualifying for free or reduced priced meals will receive snack milk at no cost.)

The district encourages EVERYONE to fill out a CONFIDENTIAL free/reduced lunch application and turn it in to the elementary, high school, or district office.

The number of free/reduced lunches directly relates to additional state and federally funded grant dollars for our district. Children in families that qualify for free/reduced lunch may be eligible for grants to help with college tuition. If you have any questions, please call, Beth Rogowski, at 535-4044.

NEW Food Service Policy

The Tigerton Board of Education, in accordance with USDA regulations, has updated their board policies to include language pertaining to the handling of unpaid student/family meal debt. This new policy, effective for the 18-19 school year, will read as follows:

Unpaid Meal Charge Policy

This policy is to establish procedures for students and staff with insufficient funds for school meals. According to the USDA, students who are eligible for free meals must be provided a meal even if the student owes money. Other students must also be provided a meal if they have the money in hand to pay for the current days meal regardless of food service account status. USDA regulations do allow other students to be denied a meal if their account is negative and they do not have the money in hand for the current days meal. Tigerton School District follows a prepay policy and asks that all monies be paid in advance of meal service.

How to Add Money to Student/Family Meal Plan:

Families may add money to their food service account balance by sending cash or check to the elementary or high school office which will be deposited into their account.

Unpaid Meal Procedures—Student/Family:

1. Unless parents or guardians have opted out, they will receive daily emails in regards to their child's/families account balance. Parents and guardians are responsible for paying in advance for their child's/families account.
2. When the student/family account reaches -\$15.00 they will be contacted by the district office by phone. The office will contact the parent/guardian a total of three times by phone. The fourth time a letter will be sent to the home.
3. Students or families that fall below -\$15.00 will not be allowed to participate in any ala carte items, seconds servings, second lunches or additional milk.
4. Students with free eligibility status will not be denied a lunch, but will not be allowed ala carte items, seconds, second meals or additional milk.
5. Students with a negative balance will be provided an alternate lunch consisting of a peanut butter and jelly sandwich, fruit and milk and will be charged \$1.50 to their student/family account. In order to avoid undue stress on the students, if they are receiving an alternate lunch, it will be communicated to them ahead of time and will be ready for pick up in the kitchen.
6. Alternate lunch will be provided for up to 15 school days. At that time, if sufficient funds have not been paid, or the parent/guardian has not made some type of arrangement with the district office, lunches will no longer be provided. Parents will be informed of this by a letter to the home.
7. All school district employees are considered mandatory child welfare reporters. Parents or guardians must ensure their child has access to adequate food and nutrition or the funds to do so. If a district employee suspects that a parent or guardians actions or inactions cause a failure, refusal, or inability to provide adequate food and nutrition, the employee may conclude that he/she is required to file a report with child protective services.

Unpaid Meal Procedures—Staff:

1. Staff will receive an email from Skyward weekly on their account status.
2. Any negative balance must be paid immediately.
3. If a balance reaches -\$15.00, they will not be allowed to purchase lunch until the negative balance is paid in full.

Communication of the Policy to Families:

This policy shall be provided in writing (i.e. mail, email, back-to-school packet, student handbook, etc) to:

1. All households at or before the start of each school year;
2. Students and families who transfer into the school district, at the time of enrollment; and
3. All school district personnel who are responsible for enforcing this policy.

The school district may post the policy on the school district's website, in addition to providing the required written notification described above.

The Tigerton School District acknowledges that students, specifically K-8 have no control over their personal lunch accounts. In the event a student with a negative balance does receive a NSLP (National School Lunch Program) lunch it will not be thrown away for their inability to pay or money being owed. No student will be publicly identified in regards to their meal debt. Those students will not be required to "work" for their lunch or pay off a debt. All communications in K-8 will be directed specifically to the parent or guardian, not the student.

The Tigerton School District also acknowledges that the taxpayers need to be protected and will make a reasonable effort to collect all delinquent food service debts. Any unpaid debts will carryover to the following school year until the time of graduation. Graduating seniors must have their account paid in full before participating in the graduation ceremonies.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;
- (2) Fax: (202) 690-7442; or
- (3) Email: program.intake@usda.gov.

This institution is an equal opportunity provider.

In school food service...

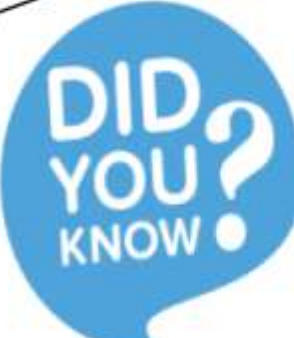

Here we are again, the start of a new school year. As food service staff we are so excited to be bringing some new and exciting things to the food service department as well as the old ones. Here is what **has not** changed for next year:

1. Universal Free Breakfast
2. Breakfast in the Classroom--grades 3K through 5
3. Grab and Go Breakfast--grades 6 through 12
4. Ala Carte options--opt out ONLY this year
5. Pizza Hut!!!!

Here are the exciting changes for the 2018-2019 school year:

1. Reduce, Reuse, Recycle--straws, plastic silverware, and plastic cups will no longer be purchased by the district. We will be recycling not only our plastic water bottles at lunch, but our food waste as well. Many hungry piggies and goats will be very happy this year as well as our compost bins for the gardens!
2. The Fresh Fruit and Vegetable Program is back in grades 3K-5. Twice a week our students will be receiving fresh fruits and veggies at snack throughout the school year or until our grant funds have been depleted.
3. Ala Carte options have expanded! You will notice around the middle of October (middle school/high school only) we will be introducing a more grab and go lunch style in conjunction with our eat in lunch style. I can guarantee we are MUCH cheaper than the other options in town. 😊
Change in Unpaid Meal Pricing--to better help families and students. More information on this posted in the newsletter.

As the year goes on, if you have any questions or concerns, don't hesitate to contact us at 715-535-4004, or alaatsch@tigerton.k12.wi.us. We look forward to another great year!

Free and Reduced Lunch Applications need to be filled out every year. Applications from prior school years do not transfer over. If you haven't filled an application out for the 2018-19 school year, please do so as soon as possible and return to the District Office.

STUDENT REGISTRATION/SCHOOL PICTURES

Wednesday, August 22, 2018

11 a.m. to 7 p.m.

High School Commons

Parents and students of the School District of Tigerton (PreK-12th grade) are strongly encouraged to attend this **student registration/school picture** event. The purpose of this event is to give parents the opportunity to complete and hand in all required back to school paperwork, give parents the opportunity to pay for school lunch and milk for their child(ren) prior to the start of school, **have their child's school picture taken**, and to ask any questions that they may have.

Middle and high school students will be able to receive their locker keys and schedules at this time. Ms. Rice, school counselor, will be available for any questions or assistance with student schedules.

If you would like to apply for free or reduced lunch please turn in your completed application to Beth Rogowski at this time. As always the information that you provide on this form is confidential.

We ask that at least one parent from each family attend with their child(ren) to participate in this registration event. Parents and students are welcome to come between 11 a.m. and 7 p.m. and are asked to stay as long as necessary to complete all the registration materials.

Feel free to contact any of the school offices with questions.

6th GRADE and NEW MIDDLE SCHOOL STUDENT ORIENTATION

Wednesday, August 22, 2018

6 p.m.

Choir Room

Parents of incoming 6th grade students and any new middle school students are strongly encouraged to attend the orientation that will take place on August 22. The program will last approximately forty-five minutes. Staff members will be present and will explain the expectations for students as they begin their attendance at the middle school. Students and parents will be given time after the presentations to view classrooms, set up lockers, and ask questions of staff members.

We hope to see you there.
