Charged by the hour; if over 3 hours of care, in one day, would be charged the preschool/school age daily rate.

Hourly Rate \$7 Per Day

Important Billing Information

Full day is over 4 hours of child care; half day is under 4 hours of child care. After 9 hours of child care services, an additional \$5 per hour charge will be applied to each child.

Your child/children are charged for what they are here, not what they are scheduled for.

Family Discount

A 10% discount is applied to the oldest child for families who have two or more children attending full time. This discount does not apply if a child calls out, or if a child has exercised their allotted call outs for the year.

- Ex: Victor has used his 5 call outs for the year. His younger sister Alice attended all week. Victor was out sick on Thursday, therefore he is still charged for a full week. His parents must pay full price for both children without the family discount as Victor was technically not there the full week due to calling out.

Late Pick-Up Fee

If a child is at the center over 5 minutes past closing time, there will be a \$1.50 per minute fee applied each minute.

Schedule Policy

An \$7 charge will be assessed if your child's schedule is not received by Wednesdays at noon. **If your schedule is received after noon, we cannot promise that room will be available for your child for the next week.**

Overtime Childcare Fee:

A fee will be charged if your child is dropped off or picked up more than 15 minutes outside of their contracted scheduled time. A \$1.00, per child, per minute for each minute after the 15 minute grace period will be assessed, unless there has been a call made prior to the contracted pick up time from the parent informing us of the delay. The 15 minute grace period ONLY applies at pick up; not drop off. Your child should be dropped off at their scheduled drop off time.

Call-in Policy

Each child is allowed five call out days. A \$8.00 per child fee will be assessed if you call out for a scheduled day of daycare, before your child's regularly scheduled time. After the 5th call out, you will be charged for what your child was originally scheduled for. The daycare center must be notified prior to the regularly scheduled time of the child's non-attendance. You will be charged for what your child was originally scheduled for if no phone call is received of the child's non-attendance. If your child is being sent home by daycare due to an illness and are asked not to return for 24 hours, they will not be charged a call out fee the following day if they are to remain out. Anything consistent after that first day, will be charged a call out fee.

Billing week is Monday through Friday. Child care payments are due by the date on your billing statement. A \$15 late fee will be charged to your account for late payments. If your account remains unpaid for a 1 month period and/or exceeds \$300 total, your child/children will not be able to return back to daycare until the account is paid in full.

If you qualify for county assistance, please contact your case worker for forms to fill out and apply for free or reduced child care.
