Summer 2018

From the District Administrator's Desk

Another year has come to a close and summer school is here. The learning goes on throughout the year and we appreciate our entire community for your support.

We have had a great year in Tigerton! Our students have great, caring, and wonderful teachers focused on their learning and providing opportunities to showcase their talent. Sports teams showed great growth on the field, court, and track, providing exciting athletic action. Academic teams improved upon past experience with Academic Quiz Bowl moving up to 4th place with a strong future, both middle school and high school math teams competed with Nathaen Wanta taking 2nd place overall in his division at the Central Wisconsin Mathematics League at UW-Stevens Point. We are so proud of our teachers, coaches, sponsors, and students for their hard work and tremendous performances!

Our music program also had a great year! Our band and choir programs both had beautiful concerts throughout the year, featuring a wide range of songs from all around the world. Several students also received gold and silver ratings at regional and State Solo and Ensemble. Their musical talents are growing individually and the band and choir are also growing as a unit thanks to our great conductors and teachers!

We may be small, but we are mighty! We look to give our students every advantage to be successful in their academic, athletic, emotional, and civic lives. Coming from Tigerton, our students realize they have the full support, strength, love, and pride from the community. That is what we call Tigerton Proud!

Our staff is working hard this summer to prepare for next school year. We will be taking classes on technology use and also learning from the best educational research so we can be the best teachers to facilitate our students' learning and growth. We are also continuing to write curriculum and develop assessments so our students, staff, and parents can know what students are learning. We are constantly working to provide our students the best education possible!

I am honored to be part of Tigerton Schools! We are #TigertonProud.

Mr. Ben Rayome, District Administrator
715-535-4040, brayome@tigerton.k12.wi.us

BOARD OF EDUCATION

Jeremy Erdmann, President	715-535-2097
Cary Robbins, Vice-President	715-535-2079
Dale Breaker, Clerk	715-535-2346
Ryan Hauser, Treasurer	715-460-0842
Scott Suehring	715-754-2341
Tara Hoppe-Schmidt	715-881-0075
Jill Brown	715-535-2119

Board meetings are held the third Monday of every month at 7 p.m. All residents of the school district are welcome to attend to keep informed on school issues or to voice concerns they may have.

Summer School 2018

June 6-June 29
Monday-Friday

K-8th Grade Classes

Summer School:
8 a.m.-3 p.m.

Breakfast & Lunch will be provided for **FREE**

Breakfast: 8:00-8:30 a.m.

Lunch: 11:30 a.m.-noon

Free breakfast and lunch meals will be available to children 18 years of age and under. If you are not in summer school and would like to participate in breakfast and/or lunch, please call 715-535-4051 by 8 a.m. for lunch and the day before for breakfast so enough food is prepared.

Summer Hours

District Office
MONDAY-THURSDAY
7:00 a.m.-4:00 p.m.

High School Office
MONDAY-THURSDAY
7:15 a.m.-3:15 p.m.

REMINDER TO STUDENT ATHLETES:

Physical cards or alternate year cards are due before your first practice in the fall.

You may pick up the forms in the high school office or WIAA has them available online at wiaawi.org/Health/FormsPhysicalandPublications.

Hey MS/HS Parents: After the 2nd Annual Summer Send-off Potluck, one large white plastic bowl that had watermelon in it was left behind. Please come to the high school office to claim it.

Tigerton School District Retirement-

Now and Then

~ Thank you, Jan ~

2018 THS Senior Class

Congratulations on all you've accomplished! The School District of Tigerton and the Tigerton community would like to wish you all the best in your future! We can't wait to see what the next chapter in your lives will bring!

Front Row (l to r): Kendra Kalwitz, McKenna Marquardt, Baylee Endicott, Chenee' Block

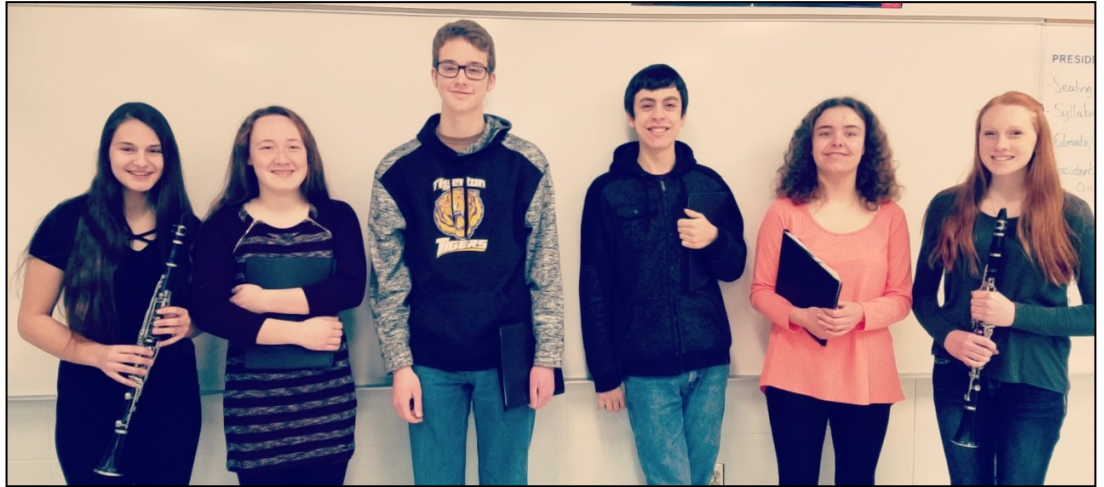

Middle Rows (l to r): Anna Watters, Shawnee Griepentrog, Katrina Parrott, Leah Jobe

Back Row (l to r): Gaven Ferg, Austin Pingel, Michael Weisensel, Conner Harris, Tanner Graham, Samuel Schmidt

Music End of Year Wrap-Up

In January, band and choir members (pictured below) were selected by nomination to participate in the All Star Band/Choir Festival that took place at Shiocton High School. Tigerton students joined the CWC Honor Band & Honor Choir where they worked with clinicians, Dr. Kevin Otto, Director of Bands at UW-Oshkosh, and Dr. Philip Swan, Co-Director of Choral Studies from Lawrence University. Students experienced music instruction at a high level and learned about performance techniques playing with students at an advanced level.

Pictured (left to right): Raven Dewhurst, Molly Brehm, John Uttenreither, Nathaen Wanta, Bethany Kreklow, Savannah Swartz

April was the HS Band & Choir Jazz/Pops Concert. The band featured two student soloists, Bethany Kreklow and Nathaen Wanta. Both students had great performances. The choir sang a mix of Disney selections and featured soloists singing a mix of pop, rock, and country songs. The choir featured vocal soloists as well: Bethany Kreklow, Colleen Smith, Shawnee Griepentrog, and Molly Brehm.

Thank you to our Jazz/Pops Concert audience for all the non-perishable food items we received. We also collected over one hundred dollars that was donated to the Tigerton Community Cupboard. They were so thankful to receive such a sizable donation to help our local families.

The middle school and high school Spring Concert was in May where choir students featured music from around the world and the band showcased tunes selected from popular movie film scores.

Pictured: High School Band Members Spring 2018

Thank you for a wonderful year of music. As we end our school year, we sadly say farewell to our Choir teacher, Miss Pribbernow. We wish her well in her future endeavors! Thank you for all you have done for our Tigerton Tigers! You will be missed!

Sincerely,
Miss Berndt

Tigerton High School Level Band/Choir Solo & Ensemble Results

Tigerton School District band and choir students experienced tremendous success at both the middle school and high school level Solo & Ensemble Competitions during late February and mid March.

The WSMA District Solo & Ensemble Competition was held on February 17, 2018, where three Tigerton students advanced to the State Solo & Ensemble Competition. Congratulations to those students who competed at the state level! Below, you'll find results for remaining students from this year's event. All students performed at a very high level and represented the School District of Tigerton very well. Congratulations to all students on your hard work!

3-Year-Old Kindergarten 2018-2019

The School District of Tigerton will again be offering a 3-Year Old Kindergarten program during the 2018-19 school year. Students will learn communication and language development, prewriting, social and emotional development, physical skills, cognitive development, math and science skills, and character education.

Children must be three years of age by September 1, 2018, and potty trained to enroll. The 3-Year Old Kindergarten program is open to both resident and non-resident children. Currently one session is scheduled to be held Tuesdays and Thursdays from 8 until 11:30 a.m. at the Tigerton Elementary School. If there is enough interest another session will be added for Mondays and Wednesdays. Busing to and from school will be available for children residing in the School District of Tigerton. Enrollment fees for the program are \$45 per month per child. Enrollment is limited and available on a first come first served basis.

3 YEAR OLD KINDERGARTEN SCHOOL SUPPLY LIST

- * 1 Large Backpack (must hold large binder & extra set of clothes)
- * 1 Extra Set of Clothes (packed in a gallon size Ziploc bag to be left in backpack)
- * 1 Package Large Crayola Primary Color (WASHABLE) Markers
- * 1 One Inch Three Ring Binder (with clear pocket on front)
- * 1 Three Ring Binder Zipper Pouch
- * 1 8" x 5" Plastic Supply Box
- * 5 Small Elmer's Glue Sticks or 4 Large Glue Sticks
- * 1 Bottle Liquid Glue
- * 1 Set Watercolor Paints
- * Girls: 1 Package of Baby Wipes
- * Girls: 1 Box of Plastic Spoons
- * Girls: 1 Package of Small Paper Plates
- * Boys: 1 Container of Clorox Sanitizing Wipes
- * Boys: 1 Package of Napkins
- * Boys: 1 Box of Plastic Forks

The kindergarten class took a field trip to Twig's Beverage and Charlie's County Market in Shawano. The students were given a tour of each place. They learned how soda is made and bottled and also about jobs in a grocery store. They learned a lot and had a great time tasting a variety of delicious treats! The pictures show the students at the two places.

Art Show 2018

We had approximately 50 people for the middle school/high school art show. There were six student artworks sold through the silent auction, which will benefit students going on field trips to the Leigh Yawkey Woodson Art Museum in Wausau in Fall.

The results are in for the popular vote of 'best of show'! They include:

6th Grade—Loghan Wanta, woolly mammoth sculpture

7th Grade—Lenaiah Reichert, watercolor quote

8th grade—Autumn Fredenburg and Jaycee Hoppe-Schmidt, storybook: "The War of Spiderman and Batman"

9th Grade—Makenzie Menge, ostriches painting

11th Grade—Sheridan Fredenburg, 3-D cone sphere

12th Grade—Shawnee Griepentrog, self portrait painting

Guests enjoyed light refreshments and catching up with each other.

1st Grade

Mrs. Nordwig's first graders are showing off ten brand new headphones. A donor provided a Thrivent gift card for the purchase. Students need the headphones to work on computers and Chromebooks that have numerous educational programs in first grade.

4th Grade Special Events

The 4th grade class at Tigerton Elementary School had a lot of "Special" events they participated in this past spring. Central WI Electric Cooperative visited and showed the students the power of electricity and how to stay safe around it. The Adventures in Dairyland Program was taught to the fourth graders by HS students, and they completed that experience by visiting the Norrbom Farm. The trails at the School Forest were cleaned up of branches and debris on a beautiful afternoon in May. The class toured the State Capitol in Madison and learned about WI history at Heritage Hill Historical Park in Green Bay. The pictures show Mrs. Meverden's students at the State Capitol and the CWEC demonstration.

Well Rounded 2nd Semester Experience in Middle School

It has been a busy 2nd semester for the middle school students both inside and outside of the classroom. Outside of the classroom there was a reading party with Tigerton's librarian Caitlin Witter as a guest reader, a yummy bake sale, a well attended dance, track meets, a family field-trip to the Milwaukee Zoo, a class field-trip to the Wisconsin Veterans Museum, and concession stand volunteering.

Guest speakers extended the students' classroom learning. Eric Strike discussed what it was like to serve in the military and his adjustment after being injured. Another guest speaker, Tammie Jo Berg, described life in Tanzania and explained her nonprofit organization, which is based in Tanzania. After her presentation the students decided to donate \$30 toward a school uniform so that a child in Tanzania can attend school.

Students were engaged in several project based learning activities including reciting poems at a Poetry Cafe, building their own pinball machines, and presenting desert biomes at a Desert Summit.

Community service was done by the students when they mulched the native tree arboretum at the school forest. They learned that by working together and having a positive attitude a lot can be accomplished. They realized it can be fun too. Enrichment activities were also a part of second semester. Students had the opportunity to participate in a wide variety of activities: chess tournament, robotics class, Wii Just Dance, a regional math competition, plus, geography and spelling bees.

As can be seen by the variety and scope of activities at the middle school level, the students had many opportunities to grow and develop into well rounded adolescents.

P. E. News
from Mr. Litchfield...

Elementary

Sponge Relay during Field Day

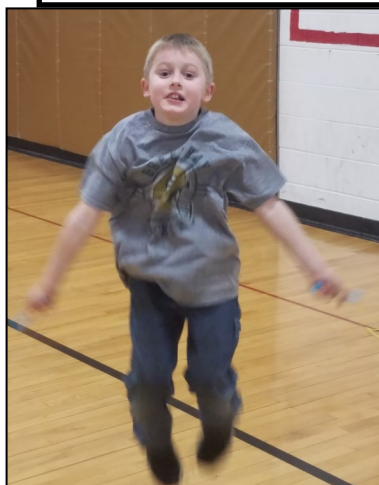

Lilliana Shelley running for the long jump

On February 16 we had our Jump Rope for Heart event. The elementary students were split up into different groups and were active for 60 Minutes. Jump Rope for Heart is a fundraising and physical activity program based around jumping rope. It teaches children how to keep fit and healthy, all while having fun and raising vital funds for heart disease research and education.

On May 16 the students attended Field Day at the ball diamonds. Students were divided by grade level and were put at a station. Some stations were the long jump, 50 Meter Dash, Fun Run, Sponge Relay, Gunny Sack Races, and Softball Throw.

Jump Rope for Heart

Noah Lorge—1st Grade

Sienna Breaker—5th Grade

Middle School

Middle School students were very eager to get outside once the snow melted. They had a great time playing dodgeball, softball, ultimate football and frisbee, basketball in the spring classes. Hopefully everyone gets outside and enjoys the nice weather.

High School

The weather was not very favorable this semester. As everyone is aware we had snow on the ground until the end of April. This forced us to stay inside much longer than we anticipated. We started off playing volleyball then went into the fitness center, floor hockey, soccer, ultimate Frisbee, and softball.

I hope everyone has a safe and active summer!

FFA Happenings by Bethany Kreklow, FFA Reporter

On January 12-13, Molly Brehm and I went to the Wisconsin Halftime Conference at the Holiday Inn Convention Center in Stevens Point. We had a lot of fun, learned about the awesome FFA opportunities during the second half of the year, more ways to better our chapter, and worked on our leadership skills by doing group activities with other FFA members.

The club was very busy fundraising this year. We sold Danish Kringles, products from the Great American Opportunities catalog in February, and helped the FFA Alumni with meat raffle tickets in December. They will use the money raised to send people to FFA leadership conferences, help with service learning projects around the Tigerton community, and to go on our summer FFA trip to Minocqua, WI.

On Saturday, January 27, we hosted a Community Rabies Vaccination Clinic with the Birnamwood Veterinary Clinic. More than 70 dogs and cats were vaccinated during the event. The FFA chapter sponsored a noisy can collection and pet supply drive for the Happily Ever After Animal Sanctuary and Shawano County K-9 Program. Three large boxes of supplies were collected and \$100 was split between the two organizations.

To get our fellow students interested in FFA and promote agriculture, we sponsored activities for National FFA Week (February 18-24) and National Ag Week (March 18-24). There were school-wide dress up days. They held contests during lunch like haystack eating contests. They also had a Kiss An Animal contest. The three teachers with the most money in their bucket at the end of National Ag Week had to kiss animals in front of the entire school. They were Mrs. Joan Meeder, Art teacher, had to kiss a baby goat; Mr. Chad Pritzl, HS Science teacher, had to kiss a guinea pig; and Mrs. Peggy Erickson, English teacher, had to kiss the mystery animal, a stuffed raven.

In early April, FFA members and a few high school students took turns going to the elementary school to teach the district fourth grade students about dairy production and Wisconsin agriculture as part of the Adventures in Dairyland program. They just recently visited the Norrbom Dairy farm in Elderon where they saw robotic milkers in action.

On April 13, we hosted our biennial Youth Safety Fair at Tigerton Elementary School. The kids learned things about sun safety, fire safety, firearms safety, ATV/boating safety, and about different disabilities and emergency scenarios. FFA members ran some of the stations and assisted the kids with the activities. The FFA Alumni sponsored a Coloring Contest/Poster Design Contest for the elementary students. All participants received a candy bar and a top winner was selected in each grade level.

The Horticulture class grew plants and held a plant sale this spring. The plants were sold as a fundraiser for the greenhouse building fund for the Agriculture Department.

FFA members who earned enough reward points travelled to the Minocqua area on June 6 for the Summer FFA trip. Several FFA members and their advisor attended the State FFA Convention in Madison June 11-14. Casey Wuske will be going to the Washington Leadership Conference in Washington, D.C. in July.

Leah Jobe teaches some elementary students about disability awareness.

The Tigerton FFA has about 10 frozen Racine Danish kringles for sale from their spring fundraiser. Flavors like Almond, Apple Cinnamon, Chocolate Eclair, Pecan...Cost is 2 for \$15. See Rose during summer high school office hours.

The Tigerton FFA Alumni sponsored a Coloring and Poster Design Contest in conjunction with the FFA Youth Safety Fair held on April 13. Each participant received a candy bar and class winners were chosen. They are (l to r): Presley Stewart-Rolffs—3rd grade, Miley Moreno--4th grade, JoJo Newbury—1st grade, Jaelyn Brady—2nd grade, Esther Laatsch—Kindergarten, and Maverick Maas—5th grade.

During National Ag week, Tigerton FFA hosted a lunchtime “haystack” candy eating contest. Shown participating in the contest are students Allen Jobe, Sam Schmidt, Nicholas Suehring, Savannah Swartz, and teacher Mr. Litchfield.

Members of the Tigerton Fire Department educate the kindergarten students about fire safety during the Youth Safety Fair held on April 13 at the elementary school.

I would like to continue to receive a paper copy of this newsletter...

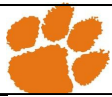

In an effort to cut back on supplies needed to print and mail this newsletter out to all Tigerton residents, we are only going to mail printed copies to residents that request one. If you would like to continue to receive a printed copy of this newsletter, please fill in your name and address below, cut this out, and send it back to us or email rkelly@tigerton.k12.wi.us. The newsletter is always available to be viewed/printed on our school district website, www.tigerton.k12.wi.us. This will be the last printed newsletter mailed out to all Tigerton residents (only residents that request one will receive a printed copy in the mail).

THS Math News

Sophomore Nathaen Wanta earned a second place finish in the Central Wisconsin Mathematics League. Tigerton students compete in Division 4 and Nathaen was in Category 1, Geometry for the 2017-2018 academic year. After the three competitions, Nathaen earned 191 points and a rank of 2 of 74 students. Over all four divisions, Nathaen's cumulative rank was 8 of 270 students. This was the forty-eighth year of competition and Nathaen was recognized at the annual banquet at UW-Stevens Point. Nathaen is coached by a former THS mathlete, Amy Krolow. Nathaen is the son of Michael and Carri Wanta of Tigerton. Way to go, Nathaen!

Nathaen and his proud mother are pictured at the awards banquet

Gage Shumaker, Mackenzie Maas, Jocelyn Menge, Jaycee Hoppe-Schmidt, Autumn Fredenberg, Elizabeth Robbins

Slope Challenge

The pre-algebra students recently completed a slope challenge. The objective was to create a marble run in a shoe box that would take the longest time and still have the marble come out of the box. The students were given limited supplies of paper and tape and each student needed to create their own design. It was a fun challenge! Gage Shumaker was the winner with a time of 2.56 seconds.

Off to UWGB

Taryn Graham, a freshman at Tigerton High School has been accepted into a 3-year college program. The University of WI—Green Bay hosts the Regional Center for Math & Science (RCMS) program each summer. Assistant Director Myra Gilreath met with Tigerton's 9th and 10th grade students in March to discuss this exciting educational opportunity. Taryn completed the extensive application and has been awarded the opportunity to participate in the Regional Center for Math & Science (RCMS) program. The RCMS program is a TRIO Upward Bound Math/Science program that serves first generation college bound students who are interested in careers in the STEM fields. RCMS is a federally funded, six week residential pre-college program, designed to enhance and enrich high school students' understanding of science, mathematics, and the nature of scientific research. This program is completely free to participants. Students from all over Wisconsin, Minnesota, and Michigan live on UW-Green Bay's campus for six weeks each summer. They participate in many college experiences: taking classes from professors, living and eating on campus, and being independent from their families and friends at home. Students will also travel to other area colleges, museums, and places where students can see their potential future career in action, such as the Medical College of Wisconsin or the Space Science & Engineering building at UW-Madison. The program will continue in fall with online activities. RCMS recruits high-achieving students with college potential, and their commitment to the program will last three full years. Nearly 100% of RCMS students will enroll in a 4-year college after their senior year of high school, and continue on to earn their bachelor's degrees. Congratulations to Taryn! Taryn is the daughter of Laura Derks and Curtis Graham.

Submitted by Amy Krolow

Fitness Center

Attention Students... Are you wanting to get some exercise over the summer? The fitness center will be open throughout the summer. Hours will be posted on the School District of Tigerton Facebook page and the school sign. The fitness center will be open to current sixth grade through juniors.

THS Track & Field

The Tigerton HS Track and Field Teams have had a busy season. The boys and girls started practicing on March 5 and competed in their first Indoor Meet at UWSP on April 6. The Outdoor season was delayed due to poor weather conditions, so the athletes did not get as many competitive reps as usual. Regardless, there were many personal records and/or season records set. Some of the highlights of the season were the girls placing 7th in the 10-team conference (with only 4 girls on the roster), Ladia Block earning All Conference honors by placing 2nd in the 800m run, and Monika Minniecheske qualifying for Sectionals in the 300mLH. The picture shows team members and coaches after the Regional Meet. Left to right: Monika Minniecheske, Assistant Coach Lindsay Norder, Anna Watters, Jared Berg, manager Mary Kreklow, Nathaen Wanta, Bethany Kreklow, Ladia Block, and Coach Holly Meverden. Monika received the trophy for the 2018 team MVP, Jared earned the Most Improved Player trophy, Bethany worked hard for the Dedication Award trophy, and Anna received a plaque as the Captain and 4 year participant.

Middle School Track and Field

Tigerton Middle School offered a Track and Field program again this past spring, and six hard-working student-athletes decided to dedicate themselves to it. The team participated in about a dozen practices and competed in three meets during the season. Team members include, Gage Shumaker (HJ and sprints), Elizabeth Robbins (sprints and LJ), Autumn Fredenberg (shot put, discus, and sprints), Jaycee Hoppe Schmidt (sprints and LJ), Mary Kreklow (distance), and Dawson Block (shot put and discus). The teams were volunteer coached by Holly Meverden and Lindsay Norder.

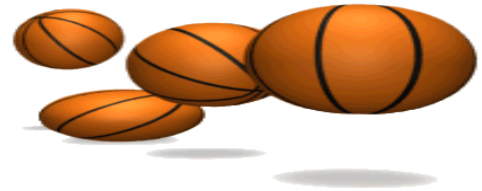

Middle School **Basketball**

The 2018 Tigerton Middle School 7th grade girls basketball team consisted of three 7th graders and four 6th graders. These young ladies made solid progress throughout the season and learned new skills to be used for their future basketball teams. They ended the season on a high note, winning the conference tournament. Their season record was 8 -5. Great job lady Tigers!

Front (left to right): Sam Suehring, Elizabeth Steuck, Jessalyn Zimdars
 Back (left to right): Katie Uttenreither, Skyler Hauser, Coach Strike, Abby Swartz, Camryn Miller

7/8th

The Tigerton Middle School 7/8th grade girls' basketball team consisted of a nine team roster. Most of the season was dedicated to introducing and building upon the basic skills and concepts of basketball, such as: dribbling, passing, defense, and rebounding skills. The team had exposure to the game of basketball, so they had a desire to learn and improve throughout the season. With a ferocious tenacity, the team battled game after game with a never say die attitude and stayed competitive in most games. Each and every player showed tremendous growth from the first practice through the end of the season. It is hoped that these girls will go on to play basketball throughout the remainder of middle school and into high school in order to continue to build upon their skills.

Front (left to right): Abby Swartz, Katie Uttenreither, Autumn Fredenberg, Jaycee Hoppe-Schmidt, Skyler Hauser
 Middle (left to right): Elizabeth Robbins, Leandra Kalwitz
